Through the Council of Ministers of Education, Canada (CMEC), Ontario participates in PISA and PCAP on an ongoing basis. Ontario's participation in IEA's TIMSS and PIRLS assessments has been ongoing but proceeds through review and approval by the Deputy Minister and/or Minister in consultation with EQAO. Ontario is participating in a new IEA International Computer and Information Literacy Study (ICILS) 2013 which examines the outcomes of student computer and information literacy across countries. Results of ICILS will be released in 2014. For more information contact: [Monica.Paabo@Ontario.ca](mailto:Monica.Paabo@Ontario.ca)
